

# Transparency Statement

The Local Government Transparency Code 2015 (the code) came into effect on 1 April 2015. The code is issued by the Secretary of State for Communities and Local Government in exercise of powers under section 2 of the Local Government, Planning and Land Act 1980, and replaces any previous codes issued in relation to authorities in England under those powers.

The code does not replace or supersede the existing framework for access to and re-use of public sector information provided by the:

- Freedom of Information Act 2000 (as amended by the Protection of Freedoms Act 2012)
- Environmental Information Regulations 2004
- Re-use of Public Sector Information Regulations 2005
- Infrastructure for Spatial Information in the European Community regulations 2009
- Sections 25 and 26 of the Local Audit and Accountability Act 2014 which provides rights for persons to inspect a local authority's accounting records and supporting documentation, and to make copies of them.

Queen's Park Community Council complies with the requirements of the code by publishing the information on this website. Hard copies are available on request from the Community Council office.

Full details of the code can be found here [Local Government Transparency Code 2015](#)

The measure must:

- Cover all the elements of remuneration that can be valued
- Use the median earnings figure as the denominator, which should be that of all employees of the local authority on a fixed date each year, coinciding with reporting at the end of the financial year
- Exclude changes in pension benefits, which due to their variety and complexity cannot be accurately included in a pay multiple disclosure
